

# The Rugged, All-Purpose, Quad-Power, Smartphone & Tablet Charging Weather Alert Radio with S.A.M.E. Technology

## FRX5 S

### LOOK NO FURTHER

Need a weather alert radio that's rugged<sup>1</sup>, rechargeable, and reliable, not to mention solar-powered, splashproof<sup>2</sup>, smartphone & tablet charging and with S.A.M.E. technology? The **FRX5 S** is just the ticket. With a rechargeable lithium battery, super-duper solar panel and hand crank power generator, it's an essential for every emergency kit—at home, at work, or in the great outdoors.

### ON EXTRA ALERT

When the "Alert" function is on, the radio will automatically broadcast NOAA emergency weather alerts for your area such as hurricanes, tornadoes and severe storms. Plus, the FRX5 S also features S.A.M.E. technology (Specific Area Message Encoding) for extra alert power. Just enter your S.A.M.E. county code and if there's a warning, watch or advisory you'll see it—with flashing red, orange or green lights—and hear about it, too. You can set up to 25 locations so you'll be safe, wherever you are.

### LISTEN UP

Stay in tune and up to date with this AM/FM/NOAA weather band digital radio with display and alarm clock. If you want more than just the radio, there's an AUX-input to play your own tunes. And, when you want to listen alone, just plug in your favorite headphones.

# The Rugged, All-Purpose, Quad-Power, Smartphone & Tablet Charging Weather Alert Radio with S.A.M.E. Technology

## QUAD-POWER

The FRX5 S powers up in four fabulous ways—via solar panel, hand crank, built-in rechargeable lithium battery, or alkaline batteries.

## ALL-POWERFUL

The super-sized (and detachable) solar panel will charge the battery fully in 5-6 hours. Looking for alternative sources of energy? Crank the hand turbine for one minute and you'll produce enough power for 10-15 minutes of music, news and weather or four minutes of talk time. You can also use the micro-USB cable to charge the FRX5 S' built-in rechargeable battery or pop in a couple of AAA batteries if you want to go old school.

## FEATURES

- AM/FM/NOAA weatherband
- S.A.M.E. and NOAA Weather Alerts
- Digital tuner and display
- Rechargeable lithium battery
- 5V=2.1A USB output
- High efficiency solar panel
- Hand crank power
- Rugged<sup>1</sup> and IPX4 splashproof<sup>2</sup>
- Bright, long-lasting LED flashlight
- Red emergency beacon
- Ambient light with dimmer
- DC power input via included micro-USB cable
- Glow-in-the-dark locator
- Illuminated buttons
- AUX-IN jack
- Headphone jack
- Alarm clock
- 3-AAA battery option (not included)

## SAY HELLO

To charge your smartphone or tablet, simply plug it into the 5V=2.1A USB port. Power will automatically "dump charge" to your device, just like plugging into the wall. The FRX5 S will fully charge most smartphones once.

## LIGHT THE NIGHT

Shine the bright LED flashlight to find your way. Use the glow-in-the-dark locator and illuminated buttons when you're in the dark. And for big-time emergencies, flash the red emergency beacon.

## ADD SOME AMBIANCE

The built-in, top mounted, dimmable ambient light on the top of the FRX5 S provides just the right amount of light for the family to still enjoy a relaxing conversation or dinner even while the storm rages outside. Use it to light the tent on your next camping trip.

## WEATHER OR NOT

The FRX5 S has an IPX4 splashproof rating<sup>2</sup> so neither sleet nor snow nor rain will hamper its performance. Ideal for camping trips or river expeditions.
